Dial-in: (312) 626 - 6799 Meeting ID: 772 014 7017

Notice to the Public: The Mayor and the City Council welcome you to the regular City Council meeting.

Public comments on agenda items may be submitted by email, mail, or by dropping a note through the drop box at City Hall before the City Council meeting. Time is allotted during the "Public Forum" and "Public Hearing" sections for public comments on general business and public hearing items. The Mayor may limit each speaker to five minutes.

The usual process for any agenda item is that the Mayor presents the item to the Council, the Council can comment on the issue or respond to public concerns, a motion is placed on the floor, and the vote is taken.

Using obscene and vulgar language, hate speech, racial slurs, slanderous comments, and any other disruptive behavior during the Council meeting will not be tolerated. The presiding officer may bar offenders from further commenting and/or disconnecting from the meeting.

For those attending in person at Centerville City Hall, all attendees must be seated in a chair to ensure compliance with the fire code capacity for the City Council chambers. If the Council Chambers are at capacity, overflow attendees will be required to attend the meeting through one of the remote participation options.

Departmental reports highlighting the activities of the City Administrator, Public Works Director, and Library Director were presented.

City Administrator Report – June 21, 2025 - Below is a summary of key items the City Administrator and City Hall are currently working on: **New Training Requirement:** The Iowa Legislature passed HF705, requiring additional open meetings/open records training for all new members of governmental bodies. Currently, the training must be provided by the Iowa Public

Information Board (IPIB). An initial training session is available on Friday, August 15, from 12:00 to 1:30 pm Please let the administrator know if you would like to be signed up for this webinar. The Iowa League of Cities anticipated being certified as a trainer soon to expand the course offerings. Utility Billing Cycle Update: Beginning in September, the City will transition its Utility Billing Cycle to align more closely with usage time frames. Currently, there is a roughly 30-day delay between the time Water/Sewer is used and the billing. This migration will narrow that window to a matter of days after the usage cycle has ended. This will enable customers to more clearly relate their usage to what they are being billed for. This process will take approximately six months to complete and will temporarily result in longer billing cycles. Customer Assistance Fund: The City is developing a Customer Assistance Fund for utility payments. This fund would collaborate with a third-party nonprofit group, utilizing private funding, to assist customers experiencing hardship in making their Municipal Utility payments. The program is currently undergoing legal review and is expected to be brought to the Council for consideration in August or September. City Council Safety Work Session: tentatively scheduled for 5:30 p.m. on August 4, 2025. City Elections: The County Auditor has provided the City with the initial information for the 2025 City Election. This election cycle will have three open seats: Mayor, Council Ward 2, and Council At-Large. Election information and packets can be picked up at City Hall during regular business hours. Applications can be returned to the County Auditor's office beginning 8/25 and must be submitted no later than 5 p.m. on 9/18. Iowa League of Cities Conference: The annual lowa League of Cities conference is scheduled for September 17-19. This conference is geared towards both appointed and elected staff. If you are interested in attending, please notify the City Administrator. City Code Recodification: The City is continuing efforts to recodify its municipal code, as required by state law, in partnership with Simmering-Cory/lowa Codification. Water Quality Improvement Funding: City representatives met with the Iowa DNR and USDA to explore alternative projects eligible for funding. Previous proposals exceeded the available budget; Housing Demolitions: During 2025 the following nuisance properties have been demolished: 902 E. State, 411 N. 7th, 717 N. 13th, 620 N. 10th, 541/549 N. Park; 1701 S. 19th. **Demolition Grant Program:** Seven properties have been approved for the demolition grant: 714 S. 17th, 706 W. Maple, 505 N. Park, 1115 S. 18th, 109 N. 18th, 115 N. 18th, and 1604 Drake. Based on the estimated cost of City demolition, this represents a cost avoidance to the City of approximately \$56,000 to date.

Public Works Department Report 7-21-25: Distributed 18,818,000 gallons of water this month compared to 18,087,000 last month and 1,000 a year ago; Treated 22,281,000 gallons of wastewater this month compared to 20,412,000 last month and 18,839,000 a year ago; Completed monthly operating reports for IDNR- 3; Completed utility locates, daily work orders, water testing, and vehicle maintenance; Completed meter reading and shut-offs- 17; Flushed dead end hydrants per schedule; Water leaks- 1; Sweeper- 3; Grade alleys- 3; Jetted 1,455' of sewer main- potential issues found during Alliant lateral pre-inspection process; Trim trees/brush- 2; Brush cutting ROW's; Installed culvert on Cottage; Trash route- 8; Meetings-Department Head and Water Board; Oak Street to 18th water project- 80% main line installed and all services on Oak are installed. RE:

Centerville Wastewater Treatment

Strand PN 7024.004

COMMENTS:

Previous Month's Activities:

- Continued working with Contractor and City of Centerville to close out punchlist items. The City's construction contract with the Owner will remain open until seeding is established.
- Made a visit to the site to meet with the contractor and City to review seeding and establish work that needs to be completed to close out the project.
- Met with Contractor about warranty items to review schedule for completion.

Issues/Special Items

• None.

Goals for Next Period:

- Submit draft of standard operating procedure to City for review.
- Finalize outstanding punchlist items and warranty list items with Owner and Contractor.
- Meet with City to review project status and work remaining.
- Continue to support questions from operators.

As always, please let us know if you have any questions.

Thank you,

Jennifer Ruddy, P.E.

Request for Street Closure - September 6th

From Michael Matthes <mike@majesticcenterville.com>

Date Mon 7/21/2025 2:55 PM

To Jason Fraser < jfraser@centerville-ia.org>

Jason,

On September 6th, the Majestic would like to host a "tailgate" party to celebrate the lowa/lowa State game. We would like to close North 13th street from the intersection of Highway 2, North along the three Majestic Buildings (through 104 N 13th Street) ending at the property line between 104 N 13th and Gordies.

We are planning to extend our liquor license to allow outdoor beer and wine sales (basically anything in a can) and have a food truck and corn-hole games etc. We will show the game on the big screen as well.

Please let me know next steps when convenient.

Regards,

Michael Matthes https://majestictheateriowa.com/

|---|---------------|--------------|------------|--------------|
| by and between the City of Centerville, | Iowa, hereina | after called | I the Owne | er, and Hall |
| Engineering Company, a corporation, | hereinafter c | alled the | Engineer, | witnesseth |
| that: | | | | |

WHEREAS, the Owner desires to employ the Engineer to render professional services to rehabilitate sanitary sewer laterals on Washington Street from 7th Street to 10th Street with CIPP lining and installation of clean-outs by vacuum insertion (Vac-A-Tee by LMK Technologies, Inc.), hereinafter referred to as the Project, and

WHEREAS, the Engineer desires to render engineering services in connection with the Owner's Project, now THEREFORE in consideration of the covenants and promises between the parties hereto, it is hereby agreed that the Engineer shall perform the services and the Owner shall make payment for same in accordance with the terms and conditions set forth as follows:

ARTICLE 1. SCOPE OF SERVICES

A. Basic Engineering Services.

The Engineer shall perform professional services as hereinafter stated:

- Preparation of general and detailed plans and specifications. Design to be in compliance with all federal, state, or local regulations pertaining to the Project.
- 2. Preparation of estimate of construction cost.
- 3. Preparation of forms for contract documents including bid form, advertisement for bids, construction contracts, and bonds as required, subject to the approval of the Owner's legal counsel.
- 4. Furnishing all necessary copies of plans and specifications and contract documents of the Project to the Owner for its own use.
- 5. Assisting the Owner in securing bids for the Project.
- 6. Furnishing copies of plans, specifications and contract documents of the Project to prospective bidders, material suppliers, and other interested parties upon request. The Owner shall be responsible for costs associated with preparing and distributing plans, specifications and contract documents.
- 7. Assisting the Owner at the bid opening, tabulating bids, and reporting on them to the Owner together with advice and assistance to the Owner in award of the contract.

8. Consult with and advise the Owner as to the acceptability of subcontractors and other persons and organizations proposed by the prime contractor for those portions of the work as to which such acceptability is required by the contract documents.

B. <u>Construction Engineering Services.</u>

The Engineer shall perform the following professional services during construction:

- Consult with and advise the Owner and act as their representative. The extent
 and limitations of the duties, responsibilities and authority of the Engineer as
 assigned in the contract documents shall not be modified without the
 Engineer's written consent; all of the Owner's instructions to the contractor
 shall be issued through the Engineer who will have authority to act on behalf of
 the Owner.
- 2. Review and approve submittals and samples, the results of tests and inspections and other data which any contractor is required to submit, but only for conformance with the plans and specifications and compliance with the information given in the contract documents; determine the acceptability of substitute materials proposed by the contractor; and receive and review schedules, guarantees, bonds, and certificates of insurance which are to be assembled by the contractor in accordance with the contract documents.
- 3. Review contractor's applications for payment and the accompanying data and schedules, and determine the amounts owing to the contractor. Such approval of payment estimates will constitute a representation to the Owner, based on such observations and review, that the work has progressed to the point indicated and that, to the best of their knowledge, information and belief, the quality of the work is in accordance with the plans, specifications and contract documents, but by approving an application for payment the Engineer will not be deemed to have represented that they have made any examination to determine how or for what purposes any contractor has used the monies paid on account of the contract price, or that title to any of the contractor's work, materials, or equipment has passed to the Owner free and clear of any lien, claims, security interests or encumbrances.
- 4. Prepare change orders, as required.
- 5. Perform periodic visits to site to observe as an experience and qualified design professional, the progress and quality of the executed work and to determine in general if the work is proceeding in accordance with the plans, specifications, and contract documents. They shall not be required to make exhaustive or continuous on-site inspections to check the quality of work; they shall not be responsible for the means, methods, techniques, sequences or procedures of construction, selected by the contractor or the safety precautions and programs incidental to the work of the contractor. Their efforts will be directed toward providing assurance for the Owner that the completed Project will

conform to the plans, specifications, and contract documents, but they shall not be responsible for failure of the contractor to perform the construction work in accordance with the plans, specifications, and contract documents. During such visits and on the basis of their on-site observations they shall keep the Owner informed of the progress of the work, shall endeavor to guard the Owner against defect and deficiencies in the work of the contractor and may disapprove or reject work as failing to conform to the plans, specifications, and contract documents.

- 6. Conduct an inspection to determine if the Project is substantially complete and a final inspection to determine if the Project has been completed in accordance with the plans, specifications and contract documents and if the contractor has fulfilled all of his obligations thereunder so the Engineer may approve, in writing, the final payment to the contractor.
- 7. The Engineer shall not be responsible for the acts or omissions of any contractor, any subcontractor or any of the contractor's or subcontractor's agents or employees or any other persons (except their own employees and agents) at the Project site or otherwise performing any of the work of the Project.

Detailed inspection of materials and work on the site of the Project are not included within Section B of this Agreement. The Engineer will conduct periodic visits to the construction site, as required, to maintain overall review of the project during construction.

C. Construction Surveillance.

The Engineer shall provide a technically qualified field technician who will act as directed by the Engineer to provide more extensive representation on the project site during the construction phase. Services provided by the field technician shall include:

- a. General surveillance of the contractor's work and materials to ascertain and advise as to general compliance with the plans and specifications.
- b. Observation of the work for substantial compliance with the plans and specifications.
- c. Keeping a record or log of the contractor's construction activities including notations on the nature and cost of any extra work or changes ordered during construction.
- d. On-site coordination of the construction phase of the Project.
- e. Report to the Engineer and the Owner any problems which are delaying, or are anticipated to delay the work.

f. Prepare a list of items to be corrected, added or deleted to make the work conform to the plans and specifications as necessary or reasonably requested by the contractor.

Through more extensive on-site observations of the work by the field technician, the Engineer shall endeavor to provide further protection for the Owner against defects and deficiencies in the work.

Construction Surveillance Services do not thereby guarantee and shall not be construed as guaranteeing the performance of the contractors, nor assuming or providing safe methods of construction or performance of work, nor safe places for access, visits, use, work, travel, or occupancy by any contractors, subcontractors, suppliers, or their employees or any other person.

ARTICLE 2. OWNER'S RESPONSIBILITY

The responsibilities and duties of the Owner in performance of this Agreement shall include:

- 1. Provide full information as to their requirements for the Project.
- 2. Assist the Engineer by placing at their disposal all available information pertinent to the Project including previous reports and any other data relative to construction of the Project.
- 3. Furnish to the Engineer, as required by them for performance of her Basic Services, data prepared by or services of others, as may be available; appropriate professional interpretations of all of the foregoing as may be available; all of which the Engineer may rely upon in performing her services.
- 4. Guarantee access to and make all provisions for the Engineer to enter upon public and private property as required for the Engineer to perform their services.
- 5. Examine all studies, reports, sketches, drawings, specifications, bids and other documents presented by the Engineer, obtain advice of an attorney, insurance counselor and other consultants as appropriate for such examination and render written or oral decisions pertaining thereto within a reasonable time so as not to delay the services of the Engineer.
- 6. Pays all costs associated with preparing copies of plans, specifications, and contract documents for prospective bidders, material suppliers, and other interested parties upon request.
- 7. Provide such legal, accounting, independent cost estimating and insurance counseling services as may be required for the Project, and such auditing service as the Owner may require to ascertain how or for what purpose any

- contractor has used the monies paid to him under the construction contract.
- 8. Designate a person to act as the Owner's representative with respect to the work to be performed under this Agreement. Such person shall have complete authority to transmit instructions, receive information, interpret and define the Owner's policies and decisions with respect to materials, equipment, elements and systems pertinent to the Engineer's services.
- 9. Give prompt written notice to the Engineer whenever the Owner observes or otherwise becomes aware of any defect in the Project.
- 10. Furnish approvals and permits from all governmental authorities having jurisdiction over the Project and such approvals and consents from others as may be necessary for completion of the Project. The Engineer shall provide all technical and engineering data required for permits from governmental authorities.
- 11. Furnish, or direct the Engineer to provide, necessary additional services as stipulated in Article 4 of this Agreement or other services as required.

ARTICLE 3. ENGINEER'S FEES AND PAYMENTS

- A. The Engineer's fees for services as defined in Section A shall be a lump sum amount of \$6,715.00. This fee is based upon proceeding with the project substantially unchanged in scope and character after initial authorization by the Owner to proceed with the work.
- B. The Engineer's fee for services as defined in Section B shall be a lump sum of amount of \$3,350.00. This fee is based upon proceeding with the project substantially unchanged in scope and character after initial authorization by the Owner to proceed with the work.
- C. Construction Surveillance services as defined in Section C shall be performed by Paul Ruckman and shall be a lump sum amount of \$6,960.00. This fee is based upon construction proceeding in a timely manner and being completed within 4 weeks. Should there be unreasonable delays, additional fees may apply to cover the extended time and staff resources, subject to prior notice given to Owner.
- D. The Engineer shall prepare monthly statements for the services performed to date of billing and payment for such services. If Owner fails to make payment due to Engineer within 30 days after receipt of Engineer's invoice, amount due to Engineer will be increased at the rate of 1% per month from said thirtieth day. Engineer may, after giving seven days written notice to the Owner, suspend services under this Agreement until Owner has paid in full all amounts due for services, expenses and such other related charges.

ARTICLE 4. ADDITIONAL SERVICES

- A. If the Owner shall desire additional professional services above the scope or financial limit of this Agreement, the Owner and the Engineer may jointly amend this Agreement.
- B. The following additional services are occasionally furnished by the Engineer, but they are specifically not included in this Agreement and are not compensated for by the fees named herein:
 - a. Assistance to the Owner in negotiating for acquisition of property, easements, or right-of-way.
 - b. Revision of plans, specifications, and contract documents after initial approval by the Owner due to changes made by the Owner; and services required for the second or subsequent taking of bids for construction.
 - c. Revision of plans to reflect changes in the Project which occur during the construction phase.
- C. The Engineer's fees and payment for additional services, if any, shall be compensated for at the regular per diem rates then in effect, or by any other arrangement negotiated and agreed to by the Owner and the Engineer.

ARTICLE 5. NOTICE TO PROCEED - COMPLETION TIME

- A. The Engineer will commence work on the project upon receipt of an executed Agreement. The Owner shall be responsible at all times to notify the Engineer of changes to such notices.
- B. The Owner expects the Engineer to pursue the work authorized under this Agreement with diligence and without undue delay. Whenever any delays are imminent, the Engineer shall so notify the Owner that they may agree upon any remedial course of action.

IN WITNESS WHEREOF, the parties to these presents have hereunto caused these presents to be executed in duplicate the day and year first mentioned above.
